

PARENTPAY – On-line Payments

We have now gone live with ParentPay.

This means that families will be able to pay online. Initially, we have only set up extended school activities (before and after school sports clubs) for payments online. Once all staff have been trained you will be able to pay for trips, Sunrise and Sunset club and all extended school activities by this method of payment.

The invite for these clubs will be sent out later today (23.1.18) and can be found in the **Payment section of ParentMail**.

Please click on the link below to see further instructions on how to access and make payments. If you still need help with this, please ask a member of staff in the school office. This link can also be found on our website.

To pay online you must be registered with ParentMail. Please check that you are registered, as soon we will not be taking any manual payments in school.
