Phonics

In Phonics, we will cover the following spelling rules:
*Which words use 'ti' to create a 'sh' sound?
*How to I use the possessive apostrophe.
*When do I swap, drop or double? (-ing, -er, -est, -y, -ed)

Little Wandle LETTERS AND SOUNDS REVISED

History

In History, the children will be learning about the great fire of london and how it affected people's life, exploring diary entries and how london changed as a result.

DT - stable structures: houses

The children will:
*Explore different houses.
*Investigate strong structures.
*Design and build model homes.
*Evaluate how effectively our structures meet a design brief.

Reading

The Rhythm of the Rain

The children will be exploring this text using a range of reading comprehension strategies, including retrieval, making inferences/predictions and summarising.

Science

The children will continue their learning of plants and understand what it means to grow healthy plants. They will describe how plants need water, light and a suitable temperature to grow and stay healthy.

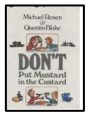
RE

The children will be consolidating their learning on Christianity and Islam and say why places of worship are important.

Music

The children will use their body and instruments to create music and sing with melody.

English



The children will study the three core texts: Milo's Monster, George's Marvellous Medicine and Don't put the Mustard in the Custard. They will learn the skills to retell a story, write character descriptions and poems.

Computing

This half term, the children will learn to recognise and create our own programmes using a sequences of commands on scratch.

PE

The children will develop and apply their ball chasing and floor work balance and continue developing their skill to play tennis.

French

The children will encounter the French version of the story Little Red Riding Hood.

PDH

In PDH, the children will be exploring the meaning of bullying and respectful relationships.
