Messages, News & Celebrations from Newbury Park Primary School

Message from our Headteacher Mrs Dawes

Dear Families,

Attendance has been strong across the school this week and we are delighted to see so many classes in the green. A large number of year groups have achieved ninety eight percent or above, which is excellent. A special well done to Year 6 in Perryman House who reached 100%. Thank you to all families for continuing to support great attendance, particularly as the weather becomes colder.

As the weather has become a bit colder, please ensure that your child comes to school with a warm coat. It really helps if all items are clearly labelled with your child's name, just in case they are misplaced during the day.

We thoroughly enjoyed our Grandparents' Afternoon today. It was wonderful to welcome families into school and see pupils working alongside their grandparents and relatives to create Christmas decorations for the festive season. The atmosphere was joyful, creative and full of connection – thank you to everyone who was able to join us.

Special congratulations go to our Learners of the Week, Stars of the Week, Star Readers and Star Writers. You should feel incredibly proud of your achievements. We are delighted to celebrate your effort, progress and positive attitudes.

Wishing all our families a restful and well-deserved weekend.

Sebrina Dawes

New Year, New Challenge. Foster for Redbridge Council.
I will save more money. I will eat healthier foods. Why not make a new year's resolution which will change a life? Over 300 children are unable to stay with their families in Redbridge each year and need a secure, stable and nurturing foster home.

If you have a place in your heart and home and are considering fostering, please call 0208 708 6068 or visit https://www.redbridge.gov.uk/fosteringschools to book onto our next Virtual Information Session.

We can't wait to hear from you.

Spare room feeling a little empty?

Do you miss conversations after school around the dinner table? Miss helping with homework and seeing that lightbulb moment when they understand something they have been struggling with? And although you repeated yourself hundreds of times to tidy things away, are you now, ever so slightly, missing the mess?

Bring conversation, laughter and love into your life and provide a safe, stable and nurturing environment for our most vulnerable babies, children and young people that they can call home.
