Messages, News & Celebrations from Newbury Park Primary School

Message from our Headteacher Mrs Dawes

Dear Families,

This week has been full of energy and achievement, and I'd like to commend and celebrate our pupils' efforts. I would like to thank all the parents and carers who attended our class teacher talks this week. It was a pleasure to welcome you into school and to share more about class and school expectations and ways to support learning at home. Your partnership makes such a difference to our pupils.

A huge congratulations to all the classes that are green on our attendance chart, these classes are showing real commitment to being in school every day. Attendance really does matter, and your dedication makes a big difference.

We also had a special guest visit this week, who spoke to pupils about the importance of attendance and how being in school every day helps them achieve their very best. The children listened brilliantly and showed great curiosity – it was a powerful reminder of how every day counts. Additionally, some exciting news: one lucky class will be winning a trip to the cinema at Christmas for their outstanding attendance! Keep up the brilliant effort – every day in school counts, and rewards like this show just how important attendance really is.

A big thank you to everyone engaging so well with reading at home. Alongside this, I want to highlight that writing is one of our School Development Plan objectives this year. The progress already being made is inspiring, and we can't wait to see how much more pupils will achieve with continued focus and effort. Also, a big well done to our Rights Respecting School Councillors who had their first meeting this week. You will hear more from them next week!

Special congratulations go to our Writers of the Week, Stars of the Week, and Star Readers- you should all feel very proud of your achievements and the example you are setting for others.

Let's continue working hard, supporting one another, and celebrating every success along the way. Together, we are achieving great things.

Have a fantastic weekend and week ahead!

Safeguarding Messages from Newbury Park Primary School

Safeguarding Team

What to do if you are concerned about a child at Newbury Park Primary School?

If you have any concerns about the welfare of a child or family at our school, please contact one of the designated members of the team immediately.
If you have a concern about a child outside of school hours and would like to seek advice regarding abuse or neglect you can contact the Redbridge Child Protection Team at 02087083885 or, if after 5.00 pm, on 02087085897
Children can also talk to Childline about any problems they are experiencing on 08001111.

CLUBS Messages from Newbury Park Primary School

After School Clubs

Tuesday 9th September - Thursday 18th December 2025

Sports2Inspire are delighted to be delivering a range of exciting and engaging after school clubs for the children of Newbury Park Primary School

Tuesday 15:30-16:30	Dodgeball Club Year 1 - 6
Thursday 15:30-16:30	Gymnastics Club Year 1 - 6

Important Information

Sports2Inspire are proud to have a highly qualified team of coaches who are able to tailor sessions to meet the needs of the children taking part, keeping the club fun and inclusive for everyone.

All sessions are to take place within the school's sports hall or outdoor facilities, using specialised equipment that is deemed appropriate and safe for the children to use during the session while under the supervision of Sports2Inspire. In the event of bad weather, outdoor activities will move inside to use a hall or a classroom for a theory based lesson should a hall not be available.

Cost - £73.50 (Block Booking for 14 sessions)

Register Here:

https://sports2inspire.classforkids.io

Please scroll down and find Newbury Park Primary school and book your child into either dodgeball or gymnastics club

CLUBS Messages from Newbury Park Primary School

Creative Writing

PRIMARY MASTERCLASS

In Creative Writing for Cool Kids, children will get a chance to create characters & settings, write short stories, create story boards, write articles and learn from the writing of great authors & journalists.

Why kids love it!

Creative Writing for Cool Kids is a chance for children to let their imaginations run riot! Whether your child enjoys writing about monsters, superheroes or more realistic characters, Creative Writing for Cool Kids will enable them to create wonderful stories.
Each week they will explore a different aspect of creative writing with the help of photos, images, props, extracts and, most importantly, their ideas! They will be able to show off their writing to others and bring their creations home.

Why parents love it!

Your children will be having fun and, unbeknownst to them, will improve their spelling, vocabulary, reading and writing skills. They will develop their creative skills and further develop a love for books.

Who are the clubs for? Open to all students in Yr 4, 5 & 6
Maximum 20 students

Future Scientists

PRIMARY MASTERCLASS

A hands-on science club which will build your child's love for science. Designed by a specialist secondary school science teacher to cover elements of biology, physics and chemistry with new activities each week.

Why kids love Future Scientists

Your child will make bath bombs to take home, design & build spaghetti towers, create parachutes for an egg drop challenge, take part in forensic diagnosis, use bio- viewers to understand animal & plant cells plus much much more!

Why parents love Future Scientists

Future Scientists uses active learning to ensure your child achieves a solid theoretical & practical knowledge of the beginning stages of the Key Stage 3 Curriculum. This will put them at an advantage when they begin secondary school science as they will already understand the basics of cell biology, particle behaviour, forces, energy and the periodic table amongst other things.

Who are the clubs for? Open to all students in Yr 4, 5 & 6
Maximum 20 students

History Mysteries

PRIMARY MASTERCLASS

In each session of History Mysteries, children will be faced with a mind-blowing Murder Mystery or Escape Room Challenge. They will then need to use their critical thinking skills to analyse evidence, witness statements and clues to write crime reports & find the culprit or the safe containing the key to their freedom!

Why kids love History Mysteries!

Each week, the children will walk in to find a new scene that immerses them in a period of history. There is dressing up, police skills, hunting for clues, analysing crime scene evidence and, of course, Detective Certificates!!!

Why parents love History Mysteries!

Your child will not only have fun at History Mysteries, they will also develop their critical thinking, writing, reading and analysis skills. They will learn about life and the world in the time of the Norman Conquests, World War 1, the Suffragettes, Powerful Historical women & a range of international history to ensure a broad, decolonised understanding of history.

Who are the clubs for? Open to all students in Yr 4, 5 & 6
Maximum 20 students

Who are the clubs for? Open to all students in Yr 4, 5 & 6
Maximum 20 students

Creative Writing

PRIMARY MASTERCLASS

"My favourite part is writing about our characters. I feel really proud of my work and like to make it a bit funny" -Effie, Yr 5

"I love the way we get to write freely and create whatever character we like. I enjoy using political humour and learning from other writers" - Olive, Yr 5

"I have been really impressed with how my child's enjoyment of writing for pleasure has grown. I now find her at home continuing with things she started in the club - because she wants to rather than because she has to." - Rachel Weston, Yr 4 parent

Meet the team

The content for our after-school clubs has been designed by experienced, successful secondary school teachers. We pride ourselves on passion for our subjects, nurturing students to achieve their best and making learning fun!
All our staff are subject to enhanced DBS checks & have received appropriate safeguarding training.

Helen Crabtree | *Director, GCSE Masterclass*

I have been a secondary school teacher for over 20 years. In this time I have led departments in some of the most prestigious International Schools in Europe and spent 8 years managing a unit for students with behavioural difficulties & emotional problems. I pride myself on making difficult topics, easily understandable and enjoyable.
I am currently the Director of GCSE Masterclass, a successful one-to-one tuition business. I am passionate about the importance of hands-on study for young people & love seeing children fall in love with learning!

Verity Woolnough | *Head of English*

I am experienced Head of English, having led a department for 10 years. I am passionate about creative writing and seeing the joy it brings young people when they craft their own stories and bring characters to life.
Having developed a successful curriculum and interactive resources at secondary school level, I am proud to be involved in Creative Writing for Cool Kids to create engaging resources which mix art, games, props, reading and writing to support children to write wonderful stories, poems and articles.

Future Scientists

PRIMARY MASTERCLASS

"My favourite bit is the experiments - we get to be like real scientists and have made bath bombs & candles to take home for my mum." - Margot, Aged 10

"Helen and her fellow tutors are really rather good. They care for my son, he likes them, he will listen to them and good progress is being made." - Trevor Mill

"I love it here! My favourite things are when we do challenges in teams like egg drop & spaghetti towers. I want to be an engineer, for sure!" - Mohammed, age 9

Duone (DJ) Minors | *Deputy Head of Science at a successful London Secondary School*

I love to bring my personality into my teaching to show that science is for everyone and that there's an aspect that we can all find and enjoy.
From the time I was gifted a chemistry set for my sixth birthday, I knew Science would be my future career. I've carried on this passion into my adult life by studying Forensic Science and then following on to teach.
I am passionate about science clubs as they expose students to the wider reach of science – and I hope this will leave a mark on young people inspiring them to become the next Gladys West or May Jemison.

www.gcse-masterclass.co.uk 07713175895 helen@gcse-masterclass.co.uk

History Mysteries

PRIMARY MASTERCLASS

"I loved it! My favourite park is finding all the clues and piecing together who has committed the crime" - Rumi, Yr 5

"It felt really real and like a birthday party challenge. My favourite bit was dressing in the historical costumes" - Maryam, Yr 5

"I really like history anyway so I loved learning more about the time period and how people live plus it was exciting to be detectives solving crimes" - Mariani, Yr 5

I am currently the Director of GCSE Masterclass, a successful one-to-one tuition business. I am passionate about the importance of hands-on study for young people & love seeing children fall in love with learning!

Danielle Parker | *History Lead and House Leader at a successful Catholic Secondary School*

I have a lot of experience in teaching history in a fun and engaging way – I firmly believe it is the best subject! However, there is never quite enough time to do all the history children are interested in! I created History Mysteries because I wanted to inspire young people to think critically about their surroundings and immerse themselves in the past; nothing does this in quite the same way as an historical escape room or murder mystery!

Sunrise and Sunset Club

Fees for Term 2024-2025:

Sunrise Club
From 7:30 am – 8:55 am.
Cost: £5.00 per session

Sunset Club
From 3:25 pm – 5.00 pm.
Cost: £7.00 per session
(If you collect after 5 pm you will be charged the late session charge £10.00)

From 3.25 pm – 6.00 pm
Cost: £10.00 per session

Note that ALL Sunset ad-hoc sessions are £10.00 per session regardless of the time the child is collected.
Please note that the prices may be subject to change.

Fees are set as a flat rate, regardless of the amount of time the club is accessed. If you choose to send your child to an After-School Club, this will need to be paid for separately. Children will then be collected from their club and taken to Sunset Club.

If you arrive after 6 pm you will incur a late charge of £1.00 per minute.

Other Community Messages from Newbury Park Primary School

ADANNA Women's support Group (AWSG) is a non-profit organisation based in East London (Redbridge, covering Barking & Dagenham and Newham). Our aim is to empower BAME women and girls by helping build their self-confidence. We do so by helping them overcome any issues they may be facing such as relationship issues, domestic violence, debt, unemployment, loneliness and isolation, challenges bringing up their children, etc. We do so through empowerment and educational workshops, training, mentoring and 1-2-1 Advice.

We welcome referrals from professional organisations and practitioners who support vulnerable women. Our service can be a valuable extension of your own support offer.

We support women on issues including:

- Housing
- Domestic Violence
- Welfare Benefit Claims
- Mental Health (Mentoring)
- Education & Employability
- Forced Marriage (FM)
- Health & NRPF
- Family Relationship Breakdown

Our aim is to empower women with practical support, emotional guidance, and onward referrals to specialist services where needed.

How to refer or connect with us:

Phone: 07906 343050
