Messages, News & Celebrations from Newbury Park Primary School

Message from our Headteacher Mrs Dawes

Dear Families,

I can hardly believe we have already been back at school for four weeks – time really is flying! I am so pleased to see how settled and motivated learning has been across the school. The focus, enthusiasm, and determination of our pupils are fantastic and really set a positive tone for the term.

A special thank you to all the parents who attended the Phonics session this week. I hope you found the session useful and enjoyable, and that it gave you some helpful strategies to support your child's reading at home.

A quick reminder that the MHST Coffee Morning will be taking place this Tuesday. This session will focus on supporting children with transition and routine. This promises to be an important and supportive session, and we hope many of you will be able to join.

A huge congratulations to our Learners of the Week, Stars of the Week, Star Readers, and Star Writers. You should feel incredibly proud of your achievements and the wonderful example you are setting for others. Your effort and dedication remind us all of what can be achieved with hard work and positivity.

It has also been fantastic to see such strong attendance across the school this week on the table below. Being in school every day makes such a difference to children's learning and friendships, and we are grateful for your continued support in helping us keep attendance high.

Let's continue to work hard, support one another, and celebrate every success – big or small – along the way. Together we are achieving great things, and it is inspiring to see the difference we are making as a community.

Some of you may have noticed an unpleasant smell in the area recently. I'm pleased to reassure you that this is not coming from our school site. It has been reported across Ilford and is linked to manure spreading at the Equestrian Centre nearby. We will, of course, share any updates as soon as we receive further information. Thank you for your understanding.

Wishing all our families a joyful weekend and a positive week ahead!

Music Kindergarten and Young Music Makers

Children in Reception and Year 1 learn through singing, moving, listening and playing a variety of tuned and untuned percussion instruments. These classes provide an excellent musical foundation for future music making. Activities are carefully designed for children to develop their singing voice, aural, music literacy and the fine motor skills required to play a musical instrument.

More Music Makers

More Music Makers is an extension of Young Music Makers for children in Years 2, 3 or 4 and is also suitable for those who may have missed out on the opportunity to attend Music Kindergarten or Young Music Makers.
